A deeply committed believer can express simultaneous  
\_\_\_\_\_.

So many believers get stuck because a \_\_\_\_\_ happens in their life.

When the WHY GOD moment happens ask these questions instead:

1. Is God all \_\_\_\_\_?

2. Is God \_\_\_\_\_?

Sometimes God uses \_\_\_\_\_ to identify a problem in us to pull it out before it really takes us down.

3. Am I going to allow my \_\_\_\_\_ determine my belief in God or am I going to allow my belief in God reign over my circumstances?

Sometimes when people \_\_\_\_\_ ahead of their circumstances, their circumstances change.

4. Why do \_\_\_\_\_ happen to \_\_\_\_\_ people?

God is always God, He is always \_\_\_\_\_, but He is not always \_\_\_\_\_.

If He were fair we would get what our sins deserve instead of eternal life. That's not \_\_\_\_\_, that's the \_\_\_\_\_.

Good things happen to bad people because the God of the universe \_\_\_\_\_
